

Explanations and Rules

Membership card – SDC Les Quartiers du Canal

The card is strictly personal and valid for one year.

1. Membership cards are issued to business owners or managers at the beginning of the year and thereafter upon request. Each business owner or manager is responsible for distributing the assigned cards to their employees and training them on how to receive and use them. *We suggest that owners or managers keep a record of the cards distributed to ensure more accurate tracking.*
2. Membership cards are valid from January 1 through December 31 of the year in which they are issued.
3. The discount offered by a business applies only to the cardholder and not to anyone accompanying them. The card is strictly personal, non-transferable, and reserved for active employees.
4. The card must be returned to the business owner if the employee stops working for them.
5. The card can be used only once per day at the same business, but it can be used multiple times at different businesses on the same day.
6. **If someone loses their card, a second would be issued free of charge.** The business owner or manager must request it by email at infos@quartiersducanal.com.
7. It is strongly recommended that businesses keep a record of card usage to ensure accurate tracking and prevent fraud. A rewards system could be introduced gradually to encourage such tracking.
8. The discount specified in the agreement cannot be modified by employees or by the membership cardholder. The user may not request a modification or substitution. The discount may only be modified or canceled by the business owners or by the person who signed the agreement or their designated replacement following their departure. Any modification or cancellation is effective only once it is posted on the SDC website. Please contact us promptly with any requests for changes.

By using the membership card, the business owner and their employees acknowledge that they have read and accepted the terms and conditions of these regulations. The owner or manager acknowledges that they have read and signed the agreement document.

Once your agreement has been signed, your offer will be posted in the “Tools at Your Disposal – Member Card” section of the SDC website, where you and your teams can view it at the following [link](#)

If you have any other questions, please contact Virginie at infos@quartiersducanal.com or call (514) 940-5310, ext. 1.
